BASIC STUDY MANUAL

This book addresses the underlying reasons for academic failures. The material delineates the primary barriers to learning and how to overcome them, using practical education methods. Also included in Basic Study Manual are tools for increasing speed of learning, evaluating data and developing judgement.

Basic Study Manual

Fully illustrated, quality paperback
286 pages, 10¹/₂" x 8¹/₂" \$24.95 US
High School & up

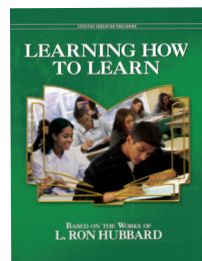

STUDY SKILLS FOR LIFE

Study methods are valuable when they create students who can read, understand and apply any subject. They become priceless when students who use them can think for themselves and develop strong self-esteem. Learning is a process of knowing how to read and understand material so that the information can be used in life. This book helps students achieve the true goals of education and thereby their own goals.

Study Skills for Life

Fully illustrated, quality paperback
142 pages, 10¹/₂" x 8¹/₂" \$14.95 US
Ages 12 & up

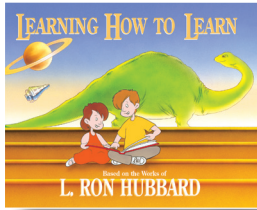

LEARNING HOW TO LEARN

Study becomes enjoyable for early teens through adults by giving the exact tools needed to learn any subject. This is a perfect book for classroom instruction, tutoring, learning centers and parents who wish to work one-on-one. Illustrations are oriented for teens, young adults and adults.
